REQUEST FOR REMAILING OF OFFICE ACTION

Mail Stop AMENDMENT  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

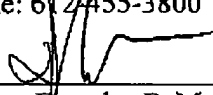

Dear Sir:

Applicants' representatives have discovered on the USPTO PAIR database that a non-final Office Action was mailed on May 6, 2008 in the above application, but that the Office Action was returned to the USPTO as undeliverable. The USPTO records appear to show the client correspondence address without a PO Box no. However, Applicants' representatives respectfully note that a Change of Correspondence address was filed on February 9, 2006 with a complete address including the PO Box no. 2902-0902. A courtesy copy is enclosed. As the Office Action has yet to be officially received, Applicants request that the Office Action be remailed, and that the time for response be reset to begin with the date of remailing. Please contact the undersigned at 612.455.3804 if there are any questions concerning this issue.

Respectfully submitted,

HAMRE, SCHUMANN,  
MUELLER & LARSON, P.C.
